Solutions for Local Churches

Greetings Ministers,

Thank you for choosing Canadian Christian Ministries (CCM) for your ministerial covering. Your ministry and the ministry of your local church have a great impact in the communities

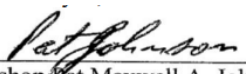

you serve. We realize that ministry is not always easy to deliver.

The method of delivery is changing faster than ever as well as the needs of your community. Our promise to you, your members and your constituents is to actively invest in the success of your calling. We have been inspired by your ability to adapt and we are adapting and improving also. As such, we have developed **new products and programs**, which will be available in the coming year 2023, that respond to the changing needs of your ministry. We have expanded our capacity and services to support you and the way you deliver your ministry in this day and age.

In the new year we will be introducing “**Solutions for Local Churches**” – a catalog of ministry materials produced and published by CCM. We hope you find the materials, tips and savings in this catalog to be a valuable resource to assist you in fulfilling God’s mandate in your life. This is a great initiative and we will continue to expand it, to ensure we are delivering more solutions for your ministry.

We are happy to be of service to ministry like yours that do so much to fulfill The Great Commission of winning the lost for Christ, and we will continue to look for opportunities for us to strengthen the Kingdom of God together.

Sincerely,

Bishop Pat Maxwell A. Johnson

Women of All Nations' First International Conference

Was held on November 4, 2022

The “Resilient Me Conference” welcomed viewers from Canada, Philippines, United States, Hong Kong, Saudi Arabia, India, Singapore, United Arab Emirates, Greece, and Sweden, along with all the beautiful ladies who attended in person. This was the Women of All Nations’ (WON) first International Conference.

The Alpha & Omega worship team led us in a dynamic time of praise & worship and the Women of Worth ministered through a creative dance performance. Elite Speakers shared insightful and wonderful messages. All team members lovingly served both during the conference.

Throughout, unity was represented by all the women who attended and took part. “For just as the body is one and has many parts, and all the parts of that body, though many, are one body—so also is Christ. For we were all baptized by one Spirit into one body” (1 Corinthians 12:12-13).

The commitment, unity, enthusiasm, and passion displayed by all were evident throughout the conference.

You can view more of this conference and also connect with the growing Women of All Nations’ Facebook Group at

www.facebook.com/groups/514369823464976

On November 4th, I was blessed to serve alongside an amazing group of women who love and exemplify the joy of the Lord. Women like Rev. Veronica, who met my team at the door and helped to carry items into the conference centre, and Rev. Maria and her team, whom upon arrival immediately offered helping hands.

Please mark your calendar for February 4th 2023, at 12pm (EST), and November 4th 2023, at 10am (EST) for exciting, upcoming WON 2023 events.

Be continually blessed!
